## EDITORIAL

### Farewell to Our Editor

Since the days of its infancy, this newspaper has been edited by Major F. E. Chamberlain. Unfortunately, as reported elsewhere in this edition, Major Chamberlain's time for retirement has arrived and the Editors appointment must be assumed by someone else.

All readers of the Bugle will agree that this paper has maintained an unusual high quality of news reporting and presentation. It has been the subject of numerous letters of congratulation and commendation. A large share of the credit for such achievement must naturally go to the Editor.

Our sincere thanks therefore to Major Chamberlain for a job well done. With this expression of appreciation go our best wishes to him for an enjoyable and successful future.

## Spring Clean-Up Week

The Griesbach Fire Prevention Committee has declared the week commencing on the 12th of May and ending on the 18th of May as "Spring Clean-Up Week" for the Griesbach Area.

Spring Clean-Up Week is an annual event designed to help you rid your home of fire hazards.

Service vehicles will be used on the 15th of May to tour the PMQ

area and pick up your discarded materials such as boxes, crates, old furniture, etc., that the garbage collectors normally do not pick up.

Fires in Canada in the last ten years have taken 5,477 lives and wasted more than a billion dollars of property, so lets play safe and "Don't Give Fire A Place To Start."

YOUR FIRE DEPARTMENT

## An Open Letter

During the course of a military career, changes of location and the consequent farewells become quite common place. However, only once during that career must that time come when the most reluctant of partings be acknowledged. Such is the case now on my retirement from the army.

On this event, my most sincere expression of appreciation is extended to all those with whom I have been associated during my tour here at Griesbach. It has been a most gratifying experience to join in the various community activities here and one which will carry many pleasant memories. My appointment as Editor of the Bugle was a particularly memorable one.

To each of you, my thanks and the wish for your every success in the future in your military and community endeavours.

Major F. E. Chamberlain

## Colorful Booklet Outlines Alberta

A colorful new booklet, designed to give the reader a quick glance at Alberta that will at least partly define the general outlines of the province and its people, has been published by the Government of Alberta.

The booklet, "The Province of Alberta", contains facts, figures and photographs dealing with every aspect of life in Alberta. Such topics as government, population, climate, education, resources, agriculture, manufacturing, industry, geography and recreation are dealt with summarily, and each of the 48 pages contain color or black and white photographs depicting the many aspects of Alberta.

Copies of the booklet, and detailed information on any one aspect of Alberta may be obtained by communicating with the: Industrial Development Branch, Department of Industry and Development, 335 Highways Building, Edmonton, Alberta.

## FIRE CALLS

March 4th, 1830 hrs., 140 Ave. and 102 St. Gas Leak

March 7th, 1630 hrs., 140 Ave. and 103 St. Aid of a Pet

March 9th, 1635 hrs., No. 2 School, False Alarm.

## IT'S IN THE BOOK!

"Remember this phone number GA 4-4877 and write it down to have readily available for Medical Emergency for your dependents when you consider a doctor is required and you are NOT able to contact your own."

(PMQ Standing Orders)

## The Library Corner

As the days brighten, so does or Griesbach Library, especially with the many vividly-covered current Best-Sellers now on display, and available to YOU in Griesbach.

Of course, it is strictly first come, first served, for the newest Books, but surely, with another 5,000 Books on the shelves, there is something for every one to enjoy reading.

COME! See for yourself! Especially the Mothers and Fathers in this Camp, and I promise you — you will be glad you came — and there is no fee to join the Library.

In the Adults' Fiction, I recommend the following books: — Thomas Costain's "The Conquerors" — a stirring historical drama, based on true facts, of the Norman Conquest of Britain and the terrible tactics used to subjugate the Anglo-saxon.

My second choice is a thriller by

the master of such stories, namely, Ian Fleming. His latest book "The Spy who loved me" provides all the stark terror necessary!

Last but not least, "Jake and the Kid" by the humorist W. O. Mitchell. This book is based on life in a little Prairie town as seen through the eyes of a boy. The numerous characters presented and the funny incidents involving them all will keep you smiling for days after.

Before I close, our thanks for Book Donations go to Lieut.-Col. O. Crummey, Mrs. McPhail, Mrs. MacMurdo, Mrs. Bowie and Mrs. Ford.

REMEMBER — Monday, Wednesday — 7:00 p.m. to 9:00 p.m.  
Saturday — 10:00 a.m. to 12:00 noon.

THE LIBRARY IS OPEN!

JUST FOR YOU!

The Bookworm

## A Pet or a Public Nuisance

The family dog can be an excellent pet for the children and grown-ups alike. After being a good pal for the kids all day, the friendly animal can give Dad a sense of enjoyment and relaxation when the dog comes over to rub against his master's leg and beg to be petted. He may even be trained to fetch Dad's paper and slippers. A properly cared for animal in a healthy environment can put meaning into the term "Man's Best Friend".

Unfortunately, some dogs are given improper care and supervision and can swiftly develop into a nuisance for the neighbours. When Fido runs loose he has a habit of barking loudly, knocking over garbage cans, digging and rooting in them and messing on neighbouring lawns, to say nothing of burying his favorite bone in the prize flower bed across the street, or in a more extreme case, biting someone.

He becomes a nuisance to his owner as well as to the general

public. After all, who must look after him when he becomes sick as a result of eating garbage. Who incurs the wrath of the neighbourhood because Fido runs loose. And last but not least, who has to make a trip to the local pound to free him after he has been taken there due to a complaint? This can also result in a small dent being put in your budget or lightening your wallet by a few dollars.

In order to protect both the owner and the neighbour, to say nothing of the dog himself, orders have been issued to the Griesbach area pertaining to dogs, and other household pets. They say in fact, that all dogs will be kept on a leash when outside the PMQ. When the animal is tied outside a PMQ the leash or rope will be secure and of a length that will prevent the dog from running on other occupant's property. By complying with these rules, you do a service to your dog, yourself and your community.

## Annual Inspection

The 2551 PPCLI Cadet Corps will have its annual inspection on Saturday, 4th May, 1963 at 1400 hrs. in the PPCLI Depot Drill Hall, The Hamilton Gault Barracks.

The inspecting officer will be Maj. D. O. R. Kearns, CD, Commanding Officer of the PPCLI Depot, in conjunction with Capt. T. O. Roberts, CD, the Cadet Training Officer for Northern Alberta.

Parents and friends of Cadets are cordially invited.

## Calgary Unit Changes Command

Brigadier B. F. Macdonald, DSO, CD, Commander, 1 CIBG, (centre) officially witnesses the change-of-command of the 2nd Battalion, Queen's Own Rifles of Canada, Calgary. Lieutenant-Colonel D. N. Osborne, CD, (right) has been posted to the Military Component of the Canadian Delegation in Viet Nam. Lieutenant-Colonel E. D. Price, CD, becomes the new commanding officer of the 2nd Battalion, following a posting at AHQ in Ottawa.

## EDITOR RETIRES

EDMONTON — Major F. E. Chamberlain of Edmonton and Vancouver retired from the Regular Army last month after completing 22 years service, it was announced by Army Headquarters. He has been deputy assistant adjutant-general with Western Command Headquarters in Edmonton since 1955.

A member of the Royal Canadian Army Service Corps, he enlisted in 1941 as a private soldier, was commissioned the same year as a lieutenant and promoted the following year to captain. Maj. Chamberlain served as ammunition

officer with the 4th Canadian Armoured Division in the United Kingdom and Northwest Europe during the Second World War.

Maj. Chamberlain attended the Canadian Army Staff College in

## Posted To Ottawa

EDMONTON — Staff Sergeant Allan Macdonald of Montreal will be posted to the Directorate of Public Relations (Army) at Army Headquarters in mid-May.

He has been a public relations specialist at Western Command

1951 and was appointed commanding officer of No. 2 Transport Company, RCASC in 1952. He commanded that company in Germany with the 4th Canadian Infantry Brigade Group from 1953 to 1955.

His wife Mirian and two children live at 13907 - 101 St., Edmonton.

Headquarters in Edmonton since 1960.

S/Sgt. Macdonald served in the United Kingdom and Northwest Europe during the Second World War with the Royal Canadian Artillery. From 1952 to 1953 he was with the 27th Canadian Infantry Brigade Group in Germany and served with the Canadian Contingent of the United Nations Emergency Force in the Middle East from 1956 to 1957.

His wife Irene and three children live at 10218 - 147 Ave., Edmonton.

"Why don't you forbid me to see Otis, Father! At least, it would be more romantic than just saying you don't know how I can stand him!"

## FIRE FIGHTING AWARD

Fire-fighters of the Camp Wainwright fire department took second place for outstanding activity in fire prevention for large military establishments in Canada. Brig. G. O. Leech, Alberta Area commander presents a certificate of merit from the National Fire Protection Association to Fire chief Bill Wilkinson. From left are, Mr. Wilkinson, Capt. B. E. Kinder, Lieut.-Col. H. F. Hoskin, Camp Administrative Officer, Camp Wainwright, and Brig. Leech.

National Defence Photo

## EXCHANGE POSTS

Lieutenant-Colonel D. G. Green, CD, of Swift Current, Sas., was promoted to the rank of colonel and posted to The Congo in mid-April to succeed Colonel W. S. Hamilton, of Winnipeg, as Commander of No. 57 Canadian Signal Unit.

Col. Hamilton has commanded the Canadian contingent of the United Nations Force in The Congo since last May. He will succeed Col. Green as Command Signal Officer at Headquarters, Western Command in Edmonton.

## GRIESBACH COMMUNITY FAIR

### SATURDAY, JUNE 1st

## Bugle Food Service Monthly Recipes

This month we are featuring Scotch Oat Cakes, Curried Kebabs which are wonderful when served with Bahmi (noodles) and, Sa-Jeran Kering (a mixture of Dehydrated Vegetables and spices) obtainable at the local market (Safeway). All you have to do is cook 1/2 package of Sa-Jeran Kering with a 8 oz. package of noodles place the reconstituted Sa-Jeran Kering in the noodles just before you remove them from the stove and cook the noodles 5 minutes more.

### CURRIED KEBABS

3 tbsp. butter	1 tsp. accent
3 onions sliced	1 can tomatoes
1 clove garlic, minced	1/2 cup hot beef stock
1 tbsp. curry powder	2 lbs. lamb cut in 3/4 inch pieces
1 tsp. salt	

Melt butter; add onion and garlic and cook until onion is tender, but not brown. Add curry powder, salt, accent, tomatoes and beef stock. Cover; simmer 20 minutes. Cool. Add Lamb and marinate two hours. Remove Lamb from marinate; place on foil lined baking sheets. Broil 15 minutes. Serve with heated marinate as a dunk-in sauce. Yield 24.

### OAT CAKES

1 1/2 cups medium Oatmeal	1/2 cup shortening
1 1/2 cups flour	1/8 cup sugar
1/2 tsp. baking soda	1/2 tsp. salt

Water to mix

Mix dry ingredients then cut in shortening.

Add water to make stiff dough.

Roll very thin cut into shape.

Bake in moderate oven.

More sugar may be added if you like a sweeter Oat Cake.

### MONTHLY TIP

Hot Chocolate becomes a Gourment Beverage when a spoonful of sherry is stirred into it.

### ITALIAN RAVOLIE

3 cups flour	2 eggs
2 tablespoons water	1/2 tsp. salt

Mix the same as pie pastry adding beaten eggs and water las. Then roll out and place a tablespoon of the following mixture in the centre of a round of pastry. Moisten edges and roll over.

3/4 lb. beef ground	1/2 tsp. pepper
1/2 lb. sausage meat	1 tbsp. soya sauce
2 onions	1/2 cup water
2 garlic buds	1 1/2 esp. salad oil
1 tsp. salt	

Boil the Ravolies in salted water for 20 minutes or until they float. Serve with tomato sauce after cooking in the same sauce. For about 10 minutes. Yield about 24 large Ravolies.

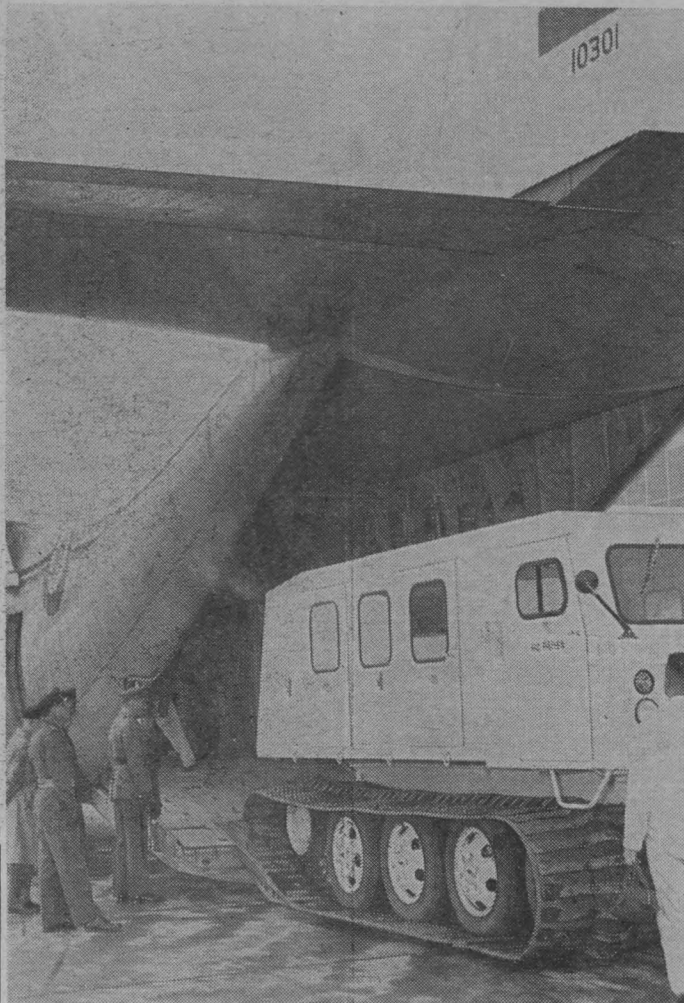

The following Tomato Sauce may be used with Ravolie:

1 cup tomato puree	1 tbsp. butter
1 small carrot and onion chopped	1/2 tsp. salt
3/4 tsp. pepper	1 tbsp. sugar
1 stalk celery	1 tbsp. flour
2 sprigs of parsley	1 clove garlic
Pinch of tyme or oregano	1 bay leaf
(tied in cloth bag)	1 cup white stock or 1/2 cup water

Melt butter in saucepan, add onion and carrot and brown. Add flour and let cook for a few minutes. Add tomato puree and moisten with white stock and add rest of the garnishing. Bring to boil and let cook slowly for 1 1/2 to 2 hours. Rub through strainer and let cool. One or two fresh tomatoes may be added if desired. This sauce can be kept for several days in the refrigerator. Add a little butter and reboil before using and correct seasoning if necessary.

Prepared by WO 1 B. Quaintance,  
HQ RCASC Command Food Service Supervisor

## ROBIN-NODWELL TRACKED VEHICLE

The Army's new oversnow tracked vehicle, the Robin-Nodwell was trial-loaded on board one of the RCAF's C-130 Hercules aircraft at RCAF Station, Namao. Maj-Gen. J. M. Rockingham, general officer commanding Western Command and other high ranking Army and RCAF officers watched the tracked vehicle back on the aircraft with just inches to spare. The carriers, replacing the Army's Penguin in use since 1948, will have a dual role of administrative and logistic support, and for ground search work in the arctic and sub-arctic terrain.

The Robin-Nodwell carriers are 19 feet long, 8 feet 10 inches wide and 8 feet 7 inches high. It is powered by a 292 cubic inch eight cylinder engine (Ford) and has a cargo capacity of 11,000 lbs.

The personnel carrier is covered and can carry 14 fully equipped troops or can be easily outfitted for installation of stretchers for rescue work. The cargo model has a crew cab that will accommodate six to eight persons in addition to its flat bed for cargo.

So far it is the best of all machines tested for travel over deep snow or soft muskeg with its low ground pressure of less than two pounds per square inch on tracks three feet, five inches wide.

Similar models were tested in Alaska during exercise "Great Bear" and "Timberline", joint Canadian-U.S. exercises held in Alaska in 1962 and 1963. These vehicles were also tested during exercise "Snow Chintre III" held at Camp Wainwright, Alberta, in January of this year.

There is also a model presently being tested at the Army vehicle proving grounds near Ottawa.

The carriers, replacing the Army's Penguin in use since 1948, will have a dual role of administrative and logistic support, and for ground search and rescue work in arctic and sub-arctic terrain. The U.S. Navy are using the Robin-Nodwell vehicles in the Antarctic.

## STAMP CLUB

Hello, all you stamp collectors. Did you know there is a stamp club in Griesbach? Well there is.

This club recently had elections for a new executive. They promise to help and to do more for stamp collectors. But, this club is badly in need of members. Why don't you come out and support the executive so they can help you by you helping them?

At this club we have auctions of stamps; exhibitions set out for prizes; and also there are many guest speakers who come and talk to the club.

The club needs you and you need the club so we'll be seeing you there. Meetings are at No. 1 School in the conference room, every 2nd and 4th Mondays in the Month.

## WESTERN COMMAND TOPS

QUEBEC CITY — Western Command boxers slugged it out at the Army boxing championships held here the first week of April to emerge the top team in Canada with an easy victory over second place Quebec Command. Central Command came third and Eastern Command fourth. Point scores for commands were Western Command, 54; Quebec Command, 37; Central Command, 29 and Eastern Command, 25.

However, strongest unit team was fielded by Eastern Command's 1 RHC who took the unit trophy with a total of 42 points followed by 1 PPCLI with 37, 2 PPCLI with 35, 2 R 22e R with 31 and 1 R 22e R with 25.

Special individual trophies went to Pte. E. Mercier, 2 R 22e R who took both the "best boxer" cup as well as the "best open class boxer" trophy; the "best novice" cup went to Pte. M. Greyeyes, 2 PPCLI and the "best loser" trophy went to L/Cpl. G. Servant, 1 R 22e R.

The special trophies and many of the individual cups were presented personally by Lieut. Gen. Geoffrey Walsh, Chief of the General Staff, who, with a number of senior officers from Army Headquarters, attended the final bouts held at Quebec City's Coliseum.

As a result of the meet, Army champions now stand as follows:

### Novice Classes

Flyweight novice — Gr. R. Millar, 2 RCHA  
Bantamweight novice — Pte. R. Herrington, 2 PPCLI  
Featherweight novice — Gnr. A. Poirier, 4 RCHA

Lieut. Gen. Geoffrey Walsh, Chief of the General Staff, (left) presents the command shield, emblematic of command boxing supremacy in the Canadian Army to Cpl. Harvey Reti, PPCLI Depot, after Western Command boxers amassed a total point score of 54 to Quebec Command's 37, Central Command's 29 and Eastern Command's 25. Cpl. Reti retained his light welterweight championship at the Army championships recently concluded in Quebec City.

Lightweight novice — Pte. J. Anderson, 2 PPCLI  
Middleweight novice — Sgmn. J. Mechefske, RCS of S  
Light heavyweight novice — L/Cpl. K. Bartell, 1 PPCLI  
Heavyweight novice — Sgm. J. Drover, RCS of S  
Light welterweight novice — Pte. Y. Lemieux, 2 R 22e R  
Welterweight novice — Pte. M. Greyeyes, 2 PPCLI  
Light middleweight novice — Pte. L. Bryan, 1 RHC

### Open Classes

Flyweight — Cpl. A. Gagnon, R

22e R Depot  
Featherweight — Pte. E. Jefferies, 1 RHC  
Welterweight — Pte. R. Beaudro, 1 RHC  
Lightweight — Pte. N. Mercier, R 22 R  
Middleweight — L/Cpl. E. Cardinal, 1 PPCLI  
Heavyweight — Pte. C. Petit, 2 PPCLI  
Light Heavyweight — L/Cpl. H. McKillop, 1 RHC  
Light Middleweight — Pte. E. 2 R 22e R  
Light Welterweight — Cpl. H. Reti, PPCLI Depot.

## Calgary Garrison Volleyball Champs

Quartermaster-Sergeant Instructor (WO 2) I. P. Nicks, playing coach of the Calgary Garrison minor units volleyball team accepts the Alberta Area volleyball championship trophy from Brig. G. C. Leech, Alberta Area Commander. The Calgary team beat four other teams entered from Edmonton and Calgary in a tournament held at the Hamilton Gault Barracks, Edmonton, Friday, April 5th.

National Defence Photo

## STRICTLY FOR THE BIRDS

The Griesbach Badminton Club Season came to a grand climax with the Sturgeon District League Competitions March 31, held at RCAF Namao, followed by the finals of the inter club championships April 2. Interest in these challenging events were most gratifying. We were indeed pleased to see the supporting spectators at Namao to back the Griesbach players. Results however prove we need more than moral support. RCAF won all events except Mens Doubles taken by John Vallance and George Debnay. Better luck next year gang, and thanks for trying so hard to honour the Griesbach Club.

Inter Club Champions for 1963 are as follows:

### PRE-TEENS

Girls Singles — Sandra Kirby  
Boys Singles — Carl Curtis  
Girls Doubles — Kathy McKerracher and Brenda Kattler

### JUNIORS

Girls Singles — Sandra King  
Boys Singles — Dennis King  
Girls Doubles — Sandra King and Marie Oakes

Boys Doubles — Monty Smith and Gill Sundman

### ADULTS

Ladies Singles — Betty Comfort  
Mens Singles — Bob Comfort  
Ladies Doubles — Mary Nye and Adele Latham  
Mens Doubles — John Vallance and Roy Appleton  
Mixed Doubles — Adele Latham and John Vallance

### ANNUAL TROPHIES—Presentation

Mens Singles — Griesbach Club  
Ladies Singles — Griesbach Club  
Girls Singles — Jack Nimmo Storage and Moving  
Boys Singles — Jack Nimmo Storage and Moving  
Girls Doubles — Bill Storchuk, Killarney Drugs  
Ladies Doubles — Griesbach Drugs

Trophies were presented by Col. MacGregor, 2 PPCLI at the Buffet Party which was enjoyed by the members.

Our appreciation to the committee for their great efforts of this event as well as throughout the year.

A new season begins with a smash of the Bird in Sept. 63. See you then.

## BULLSEYES AND EXCUSES

Here we are with a report on the activities of the (E.G.R.A.) Edmonton Garrison Rifle Assn., small bore league, winter program.

22 shooting with the Service 22 not only provides Service and Ex-Service personnel with many hours of pleasure during the winter season, but is a valuable aid to the full bore shooters who attend the Provincial and Dominion Matches, with the ultimate goal of representing Canada on the team to Bisley, England each year.

Merv Davies is going to Bisley

again this summer.

This past winter, we had 10 teams in the Edmonton area that fided 12 matches to establish team and individual champions.

The winning Militia Team is 19 Alta. Dragoons.

High Militia individual — Ken Richey, 19 Alta. Dragoons, score of 1182 of a possible 1200.

High Individual aggregate for the whole league is Ken Alle, R.C.M.P. 1185 of possible 1200.

High Lady — Mrs. Q. Burges, 1175 of a possible 1200.

## Community Council Submission

Would you like to help solve our Griesbach Community Council "Baseball and Softball" quiz?

### PROBLEMS AND SUGGESTED ANSWERS

Q1 Shall we have boy's baseball and girls' and ladies' softball again this year?  
A1 Yes, by all means!  
Q2 How many boys and girls in each age group will want to participate?  
A2 Send out application forms and find out (if you have not received yours by the time this appears in print phone GR 9-8411, Local 394).  
Q3 Where to find a new chair-manto replace Major Ted Cooper who did such a fine job last year, but who is no

longer available?  
A3 Council Recreation Member will "start the ball rolling" until we can find a replacement.  
Q4 Where to find all the managers, coaches, umpires and league executives required?  
A4 Contact the "old faithfuls" and canvass all fathers, etc., on the same application forms.  
Q5 How soon can we get started?  
A5 Let's aim for Victoria Day weekend  
Q6 With so many fathers away at summer camps, can we continue schedules at least through July to provide a

healthy outlet for the boundless energy of young folks during the summer holidays?

A6 We should give it a try. Seems we could get mothers, big brothers and sisters to take up the slack for the good of the younger set. We are thinking of Mrs. Jackson's boy's baseball team in Camp Borden and a lady whose name we've forgotten who coached a fine boy's hockey team in Germany.

There it is folks! Will you lend a hand? You DON'T have to be an expert! If you would like to help don't wait for Capt. Roles to call you — call him at local 393 or 474-5780.

## WIN KILLARNEY TROPHY

Winners of the KILLARNEY DRUGS TROPHY for the Business Girls league competition 1962/63 are left to right Liz White, Joyce Smith, Pat Donahue and Maureen Brown. Presentation of the trophy and the miniatures was made by Miss S. Kreller of behalf of the Manager of Killarney Drugs Ltd.

The Griesbach Business Girls League wound up a most successful and fun filled year of curling with a get-together at the Sgts. Mess, which was convened by the President on Joyce Smith, Secretary — Gwen Gordon and Prize Representative — Eleanor Doren. A new executive for the 1963/64 season was elected and are as follows:

President — Liz White, Vice-President — Nelda Ocdkinson and Secretary — Alice Mills.

Presentation of Prizes were made by Bess King.

## FIRST WINNERS

Skip Jimmy Purych of 13 Company RCASC receiving the Arnold Trophy from its donor Pte. P. F. Arnold, while other winning team members Freeman Allen, Marg Ormon and Cpl. Greg Chisholm look on. The trophy was donated by Pte. Arnold for annual competition within 13 Company RCASC.

## Resolute Bay Spiel Around The Clock

A most successful bonspiel has been completed at Resolute Bay. Sixteen rinks participated in this event. Rinks were entered by the RCAF, Army, DOT, USWB and last but not least "Eskimos". Tourists in the area were also invited to join. The spiel started on the evening of March 21st and continued around the clock, to conclusion on March 24th. CHRB our local broadcasting station gave a play by play commentary of the Grand Challenge and interviewed the winning rink. The broadcast was picked up by Alert, Thule (Greenland) and other satellitet stations. A banquet followed which included a very fine dinner, set up by our very able Chef, Sgt. Tassie. Cpl. Baldock, our club chairman, presented the Trophies to our winning rinks. L. A. C. McMullen skipped his rink to top honours, followed closely by Mr. "Bill" McPherson from DOT. Lac Gessner took top honours in the second event with second place going to L. A. C. Johnson.

DOT personnel from camp commuted by Bombardier and Ice-worm. Our native Eskimos of course relied on the good old dog team.

This was curling at its best on Cornwallis Island. Personnel at this remote outpost are keen competitors and their standard of curling is high. Resolute Bay Curling Club is seriously considering requesting for recognition and inclusion in Brier playdowns.

This article is challenge to both Namao and Griesbach Curling Clubs. Accomodation will be provided Eskimo style (Igloos) and the menu will include our delicacy of Ice worms. It might be pointed out that we realize our advantage; although we do not have artificial ice, our curling season is the year around. People in the Edmonton area are warned to consider "only" their top level rinks. This will provide our boys with the competition necessary and safeguard the possibility of humiliation to the visiting rinks.

## Maj. Henault Posted

EDMONTON — Major R. L. Henault of Ottawa was posted to Quebec Command Headquarters in Montreal last month as deputy command supply and transport officer. He has been command food service officer with Western Command Headquarters in Edmonton since 1961.

A member of the Royal Canadian Army Service Corps, Maj. Henault enlisted as a private soldier in the Corps of Military Staff Clerks in 1940 and was commissioned in 1942. He served in various military locations across Canada and in 1954 was appointed commanding officer of No. 1 Canadian Transport Company, RCASC, Camp Borden, Ont.

Prior to his present posting he was administrative officer with the Canadian Joint Air Training Centre, Rivers, Man.

His wife Cecile and two children live at 14708 - 97A St., Edmonton.

## ANNOUNCE APPOINTMENTS

Col. D. E. Munteer

Col. R. T. Bennett

Colonel R. T. Bennett, OBE, CD, of Ottawa will be appointed Director of Ordnance Services at Army Headquarters in Ottawa in July. He is now attending the National Defence College at Kingston, Ontario.

He succeeds Colonel D. E. Munteer, CD, of Ottawa and Moose Jaw, Sask., who will be posted to the United Nations Military Observer Group in India and Pakistan for a year's tour of duty. Colonel Munteer has been Director of Ordnance Services since March, 1961.

## To "I" Staff

EDMONTON — Sergeant R. B. Woollard of St. Vital, Man., has been promoted to staff sergeant and posted to the instructional staff of No. 22 Militia Grop, Calgary.

A member of the Royal Canadian Army Service Corps, S/Sgt. Woollard has been with Western Command Headquarters in Edmonton since 1962.

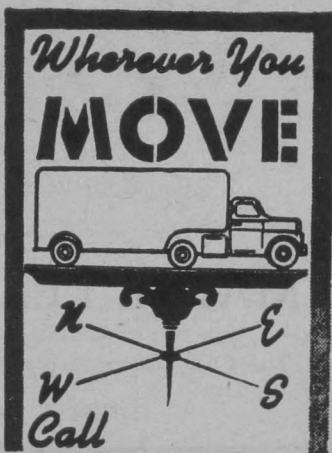

He served in the United Kingdom and Northwest Europe during the Second World War and in Korea and Japan from 1953 to 1954.

Prior to his posting to Edmonton he was with the Canadian Army Staff in Washington, D.C.

## 2 PPCLI NEWS

Our junior officers have all arrived back from the promotion examination study concentration in Camp Wainwright and are now waiting expenstantly for the results in June.

The support weapons and drivers courses are winding up with the MGs, mortars and anti-tank weapons actually being fired in Camp Wainwright from 26 Apr. to 30 Apr. Our Assault Pioneers course has returned from Chilliwack where a successful bridging camp was held.

With the good weather more and more activities are taking place in the fresh air. Preparations are now under way for the Battle Physical Efficiency Tests and the "Trooping of the Colour", the latter to be held June 8th.

### OFFICERS' MESS

Activity in the Mess has picked up since completion of the winter exercises and we are able to report a fairly full schedule of events.

The big day for the Regiment, the celebration of the birthday of the Colonel-in-Chief, was held on Saturday, 16th March, 1963. The day commenced with a parade of floats and distinctive costumes. Maj.-Gen. C. B. Ware, DSO, CD, the Colonel of the Regiment, took the salute and judged the parade entries — the Officers' Mess receiving an honourable mention. The big upset of the day — for the Sergeants' Mess that is — took place during the Broom-a-Loo match. The PMC, using a special secret recipe, with a most distinctive Jamaica flavour, so inspired the team that the final score was 2-0 for the officers. In the evening, the traditional Mixed Dinner was held, attended by all Regimental Officers and their ladies, plus a representative group from the Loyal Edmonton Regiment (3 PPCLI).

On Monday, 18 March, 1963 an informal Dining In Night was held, with Brigadier G. A. Turcot, CD, as the guest of honour.

Coming events include an informal Dining In Night on 19 April, 1963. All Honourary and Associate members have been invited and a fine evening of entertainment is planned. On 25 Apr.,

1963, 2 Battalion, PPCLI celebrates Kapyong Day, which will feature the now famous Kapyong Dinner in the evening.

During the past month the Mess has had occasion to say farewell to several long standing members of the Mess. Lt. Ryan Scott and Lt. Arthur Neadow, both of whom have served with the Battalion or Depot since 1957, have been posted to the 1st Battalion in Victoria. Capt. Peter Power, our Medical Officer, for the past two years, is taking his release from the Army and going home to England. Our best wishes go with you, Pete. At the same time we welcome his successor, Capt. J. C. R. Pellerin, and hope that he will enjoy his tour with 2 PPCLI.

### SERGEANTS' MESS

The usual Bingos were held during the month of March in the Sgts' Mess. On March 16 the traditional Broom-a-Loo game was held. Much to the dismay of the Sergeants, the Officers won!

In the evening a mixed informal Dinner and dance was held. Everyone seemed to enjoy the fine music provided by and orchestra of the PPCLI Military Band. The members and guests were honoured by a visit of the following: the Colonel of the Regiment, Major General C. B. Ware, Lieut.-Col. and Mrs. MacGregor; also one of our life members, Major Munroe, who is presently residing in Calgary.

A list of our sports champions follows:

1. Bonspiel Champions for the Roy Moody Memorial Trophy:  
Sgt. Query  
Sgt. Debney  
Sgt. Rogers  
Ssgt. Johnston
2. Curling League Champions for the Wilf Johnston Trophy:  
Sgt. Query  
Sgt. Debney  
Sgt. Rogers  
Ssgt. Johnston

On March 30th, Monte Carlo Night was again very much enjoyed; and an opportunity is given for those of us to be big time spenders with "phony" money.

Every Friday evening Happy Hour is held in the Mess and will be a regular affair.

### CORPORALS' MESS

With the summer months now upon us the PPCLI Home Station Cpls' Mess has a variety of functions to look forward to. The Bingo and Happy Hours are still regular features and the Mess is planning a "Movie Night" with dancing to follow for the near future.

This years "Trooping the Colour" will be highlighted by a Home Station Cpls' Mess Dance, which already has the Committee working overtime. A great deal of effort was made to have this dance for the Cpls. only, and as it is on a trial basis all Jr. NCOs and their guests are urged to attend and make it a success. Let's have more members out to support the Mess functions!

The housing committee has done a giant job and in the near future the Mixed Lounge in the Mess will be redecorated with the ladies in mind. For the Men's Lounge the committee has purchased bar stools, and soon the tables and chairs will be replaced by more modern furniture.

More details will be given at the next Mess Meeting.

## The Feminine Side

By Irene Macdonald

Can anyone give me a logical reason why there are so many work books printed in the United States being used in our school classrooms today?

I have been told by one teacher that they cannot get Canadian publications and anyway the American ones were cheaper. I personally do not think these answers are good enough.

This subject came before the eyes of the public recently through letters written to the Edmonton Journal, but how many parents realize what effect it is having on our young children.

Maybe I'm making a mountain out of a molehill, or perhaps my child is unusual, but it just doesn't seem right for a ten year old to know so much about the United States of America in comparison to her knowledge of Canada. I know some of this can be blamed on television and newspapers, but with the emphasis on the American way of life in the schoolroom, it certainly does not help matters.

In looking through one of the Grade Five work books, I discovered that half the information in it was about the U.S.A., one fourth on general subjects and the remainder on Canada, which did not seem nearly enough.

It is only in the last year or so that my own daughter stopped calling the Prime Minister "President", she knows now that we have provinces and not states,

but she can give you the exact address of the White House and yet have no idea where the Prime Minister lives.

I am definitely not anti-American but I do think Canadian children should know at least as much about their own country as it's neighbours.

While we are on the topic of schoolrooms, how about brushing up on our spelling. While shopping in the stores and reading the newspaper and advertisements, it seems to me there is more than the average amount of incorrect spelling. For instance, I saw 'swede' jackets for sale, broaches and bedes, silverwear and one restaurant advertised Chinese and Canadian 'quisine'. These are just a few that I can remember at the moment, which are not brand names or accidental misprints, but deliberate misspellings. Are we reaching the stage now when the dictionary is to be thrown out of the window, while we make up our own words. The modern child is confused enough as it is, without having to contend with so many alternative ways of spelling the same word. When I saw a 'bargian' in Woolworth's recently, I just could not resist bringing it to the notice of one of the clerks, who quickly had the printed sign removed. I have no idea where the fault lies, but surely something can be done to check this bad habit.

## ANNOUNCE RETIREMENT

Colonel J. P. Browne, MC, CD, 54, of Winnipeg, will retire from the Canadian Army in mid-June after 23 years service. He has been the Deputy Chaplain General (Protestant) of the Armed Forces since September 1958.

Born in Winnipeg and educated at the University of Manitoba and United College, Winnipeg, Col. Browne joined the Canadian Chaplain Service in January 1940 and went overseas soon after. He accompanied the Queen's Own Cameron Highlanders to Dieppe in August 1942, where he was seriously wounded and was awarded the Military Cross.

Col. Browne was appointed Deputy Director of Chaplain Services (Protestant) at Army Headquarters, Ottawa in August 1958. He was promoted to his present rank the following month and appointed Deputy Chaplain General (Protestant) of the Armed Forces.

## TO CONGO

EDMONTON — Major F. B. Revell of Hamilton and Dundas, Ont., will be posted to No. 57 Canadian Signal Unit in the Congo in mid-May and appointed officer commanding the Administration Squadron.

An officer of the Royal Canadian Ordnance Corps, he has been Deputy Command Ordnance Officer for Western Command Headquarters in Edmonton since 1960.

Major Revell was Brigade Ordnance Officer with the 25th Canadian Infantry Brigade Group in Korea from 1951 to 1952. He served at Army Headquarters from 1954 until 1955 and prior to his present appointment commanded the ordnance element of the Canadian Contingent of the United Nations Emergency Force in the Middle East.

## "Roving Deposit" Supplies Surveyors

OTTAWA — A joint Canadian Army-RCAF operation named "Roving Deposit" to distribute 235,000 pounds of food, equipment, gasoline and oil in the Arctic to support Army surveyors in that area began last week.

If weather conditions are favorable this will be the final year of a five-year joint Army Survey Establishment — Department of Mines and Technical Survey program to map the Canadian Arctic archipelago. This year's operation will complete the field work required to compile a complete set of maps of Canada at a scale of 1:250,000 (approximately one inch to four miles).

If all the sheets of this medium-scale topographical "profile" were joined together the complete map of Canada would measure 70 feet across the base from the Atlantic to the Pacific and 60 feet from the southern border to Canada's northernmost point.

Most of the supplies for the operation were taken in by ship last year and are now at Resolute Bay in the Arctic. However, the final 10,000 pounds of equipment will leave RCAF Station Uplands in Ottawa by C-119 "flying boxcar" aircraft for Resolute Bay and Sheperd Bay on April 26.

Accompanying this flight will be the officer commanding the survey operations, Captain M. Sowton, a British exchange officer from the Royal Engineers, and an Army loading crew.

Three RCAF Dakota ski-wheel-equipped aircraft will distribute the supplies from Resolute Bay to caches on Victoria, Prince of Wales, King William and Stefansson Islands, and the Boothia Peninsula where the surveying will be done.

The Air Force estimates that it will take 305 flying hours over a three-week period to complete the job.

The Ottawa-based Army surveyors will not leave the Capital for the Arctic until May 12.

Three officers and five non-commissioned officers of the Royal Canadian Engineers, two cooks from the Royal Canadian Army Service Corps, five civilian pilots and five civilian maintenance engineers will make up this summer's survey party.

Principal means of transportation during the summer support of the survey will be two Sikorsky S-55 helicopters, two Bell G-24 helicopters and one de Havilland Beaver fixed-wing aircraft.

## CLEAN-UP WEEK

MAY 12 — 18

## A FAIR FOR ALL AGES

Saturday, June 1st will be a festive occasion for all residents of Griesbach, especially the small fry. Once again, we are going to have a Community Fair.

Last year, the Community Fair was undoubtedly the most successful ever held. This year, say the committee, it's going to be bigger and better than ever.

Plans are under way for the Ferris Wheel, Merry-go-Rounds and more games than ever. Prizes will again be given for the various competitions and contests.

Again this year, competitions will be held for the best posters, decorated bicycles, tricycles and baby carriages. Also a grand prize for the lucky ticket holder. Concessions will be stocked with hamburgers, hot dogs and soft drinks — and even Bingo for the ladies.

The success of our Fair is always centered around the tremendous amount of time and effort which so many residents contribute toward the organization and running of the Fair. So when the committee approaches you to give a helping hand, don't be backward in coming forward.

The Griesbach Fair has become an event which annually creates excitement and enthusiasm for young and old in our community. The Fair is sponsored by the Griesbach Association and is not a large money making project.

This year the residents of RCAF Station are welcome to attend Griesbach Fair — all they have to bring is money.

Details of the competitions to be held follow, and unless otherwise stipulated by the terms of the individual competition, are open to all residents in the Griesbach Garrison and members of the Canadian Army (Regular) and their dependents.

The number of awards and the prize value of any competition may be reduced if, in the opinion of the Fair Committee, such action is deemed to be advisable because of the quality or quantity of the entries in the competition.

For additional information concerning these competitions contact Capt. Sibley, PMQ 265, Phone GR 7-7986.

### POSTERS

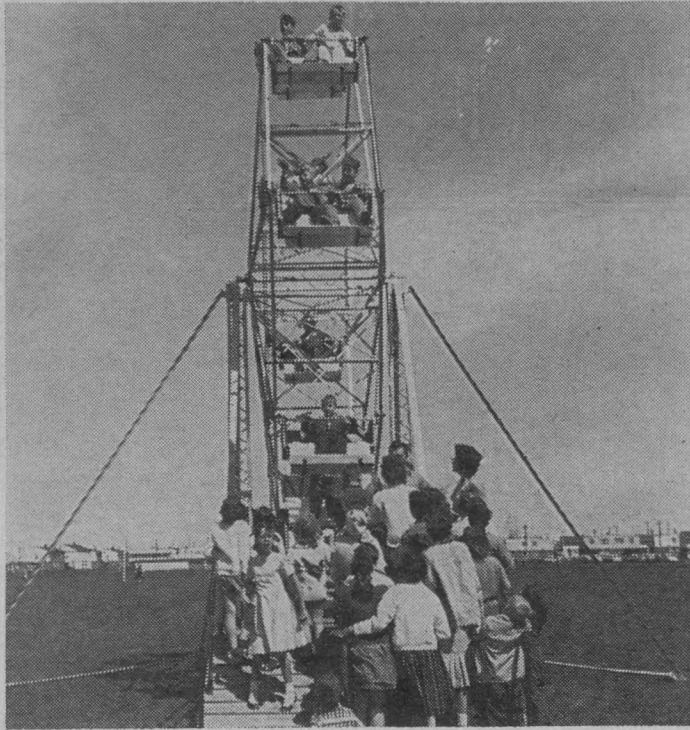

Prizes are being awarded to the best and second best posters in each of the following groups:

- Group 1 — Grades 1 to 3;
- Group 2 — Grades 4 to 6 and
- Group 3 — Grades 7 to 9

In addition, three other posters from each group will receive Honourable Mention.

All prize winning entries and those receiving honourable mention will be displayed on the day of the Griesbach Fair.

Prizes in each group are:  
Best Poster — \$5.00

### Second Best Poster — \$2.00

Presentation of awards will be made commencing at 1215 hours on the day of the Griesbach Fair.

Any enquiries regarding the above should be made to Capt. Daniels, PMQ 180, 10119 - 140 Ave., GR 7-5418.

### DOG SHOW

Prizes will be awarded to the winner in each of the following classifications:

- Best Dog
- Best Pup
- Funniest Dog
- Most Lovable Dog

Judging will take place in the fenced enclosure immediately north of the Fire Hall. All entries must be in the enclosure not later than 1300 hours, the day of the Griesbach Fair. All entrants must ensure that their dogs are under control at all times.

Winners names will be announced at 1500 hours. One winner will be selected in each classification and the entrant of each winner will receive a prize of \$5.00.

Any enquiries regarding the above should be made to Major W. E. Ward, PMQ 255, 14735 - 101 Street, 474-1639.

### CLOWNS, BICYCLES, TRICYCLES, WAGONS OR DOLL CARRIAGES

Competitors in the following groups must be present at the north east corner of No. 2 School grounds not later than 1030 hours on the morning of the Griesbach Fair:

### Group 1 — Clowns

No restriction as to the age or sex. Award will be made on the basis of costume and acting during parade.

### Group 2 — Bicycle

No restrictions as to age or sex.

### Group 3 — Tricycle

Restricted to age 10 and younger.

### Group 4 — Doll Carriage or Wagon

Restricted to age 10 and younger.

Awards in Groups 2, 3 and 4 will be made on the basis of the best decorated in each group.

Prizes in each group are as follows:

- First Prize — \$5.00
- Second Prize — \$3.00
- Third Prize — \$2.00

Entrants may join the parade when it passes No. 2 School. Names of winners and presentation of prizes will be made in the Fair grounds commencing 1115 hours on the day of the Fair.

Any enquiries regarding the above should be made to Capt. Daniels, PMQ 180, 10119 - 140 Ave., GR 7-5418.

### TIME TABLE AND COMPLETE PROGRAMME

A complete time table and programme will be published in the next issue of the Griesbach Bugle.

Keep 1 June 1963 in mind and attend your Annual Griesbach Fair.

Senior — 8:00 p.m. on Mondays  
Junior — 4:00 p.m. on Wednesdays

##### C.Y.O. Meetings:

Every Sunday night at 8:15 p.m.

#### ASCENSION DAY, 23 MAY

In the Apostles' Creed, after professing our faith in the passion, death and resurrection of Our Divine Lord, we say: "He ascended into Heaven." On the fortieth day after His resurrection from the dead, Christ led His apostles outside the city of Jerusalem to Mount Olivet, and from there rose into the Heavens.

We use the word ASCENSION for this event, rather than ASSUMPTION (as in the case of The Blessed Virgin) to indicate that by His own power, as true God, Christ went to Heaven. His tasks on earth were ended. He had made full satisfaction for the sins of men. He had taught them how to save their souls. He had established the Church, He has instituted the Sacraments, and so, the time had come for him to enter into everlasting glory.

The Creed goes on to say that in Heaven Our Lord "Sitteth at the right hand of God, the Father Almighty". Of course, this is a figure of speech, for God the Father is a pure spirit, without a body; hence, we cannot speak literally of His "right hand"; but this expression is taken from the custom among men of putting a guest of honor at the right hand of the host. Applied to Our Lord it means that as man He has the

EDMONTON — Corps flags of the Royal Canadian Engineers, Royal Canadian Electrical and Mechanical Engineers, Royal Canadian Dental Corps and the Canadian Provost Corps were presented and dedicated at a service on Sunday, April 21st, in St. John's Chapel, Griesbach Barracks.

Dedication of the flags was conducted by the Chaplain General of the Armed Forces (P), the Reverend Dr. E. G. B. Foote, OBE, CD,

highest place possible to a created nature in Heaven; for as God is equal to His Father. Since human nature could not receive a more exalted honor than it did by being united personally with the Son of God, Our Divine Saviour, as man, enjoys the highest post of dignity next to the Holy Trinity in the Kingdom of Heaven.

Although Our Lord is in heaven, yet He is still intimately united with us on earth. Through His sacred humanity is bestowed every grace that we receive in the course of our lives. Through His spirit He lives in the Church, communicating to the members the spiritual strength they need to be loyal to Him. He abides in the Blessed Sacrament in the Tabernacle of every Catholic Church, listening to the prayers of all who come to visit Him, giving them courage and consolation in the arduous battle of life.

Thus, He has fulfilled the promise He made before His ascension that He would be with His faithful followers "all days even to the consummation of the world" (Matt. 28 : 20).

#### Practical Application

The Ascension of Christ should remind us that we too are destined to be taken up into heaven, when life's brief day is ended. Then will be verified the promise which Our Lord uttered in the Gospel read in the Ascension Mass "I will see you again, and your heart shall rejoice, and your joy no one shall take from you."

### C.W.A. News

The monthly meeting of Our Lady of Fatima C.W.A. was held on Tuesday, March 29th.

The main topic of discussion was the very successful Bingo held late in March. With the able

assistance of the men of that parish a large crowd was accommodated comfortably. We wish to thank the Community for its whole-hearted support. The lucky winner of the jack pot was Miss Linda Paul.

Wednesday, May 15 the Camp is to be Blitzed for aid to retarded children. Amazing work is being done with these little members of our community, here in Edmonton, at the Winnifred Stewart School. Mrs. Stewart is to speak about her work, at the May meeting of the C.W.A.

Everyone was sorry to hear that Father Leduc has been posted. In the short time he has been here, he has made friends. A buffet dinner was held in his honour on Sunday, April 21st in the P. T. Lounge. A gift was presented to the Father in appreciation for his work at Our Lady of Fatima Chapel.

Mrs. Lee Taylor won the monthly raffle.

#### NOTICE

The regular meeting of the Scout and Cub Mothers Auxiliary will be held in the Staff Room at No. 1 School on Tuesday, May 12, at 8 p.m. sharp (please note this change of time).

Capt. Botting, Chairman of the Group Committee, will be present to discuss the aims and purposes of Cubbing and Scouting in Griesbach and to answer any questions which you may wish to ask.

Capt. Botting will also be happy to answer any questions pertaining to the Cub or Scout Camps which are to be held in the month of July.

All Mothers and other interested persons are invited to attend.

## CHAPLAIN GENERAL ATTENDS SERVICES

### ANGLICAN CONFIRMATION

### DEDICATION OF CORPS FLAGS

DD, DCL.

Dr. Foote was visiting Navy, Army and Air Force installations in Edmonton, Cold Lake, Wainwright and Calgary.

While in Edmonton he preached and celebrated Holy Communion at the Protestant Chapel, RCAF Station, Namao, and attended an Anglican Confirmation Service at St. John's Chapel, Griesbach.

He departed Calgary April 26th for Victoria and Vancouver.

### St. John's Chapel

#### SCHEDULE OF SERVICES

Chapel Directory	April 1963
Morning Worship	11:00 a.m.
Sunday School — 4 - 12, No. 1 School	10:45 a.m.
Bible Class — 13 up, Conference Room	11:00 a.m.
Creche — 3 years and under, Conference Room	11:00 a.m.
Holy Baptism — by arrangement with Chaplain (Local 533)	
Holy Communion — ACC — 1st Sunday	12:00 noon
Holy Communion — 1, 2, 3, 4, 5 — Sunday	9:00 a.m.
Holy Communion — UCC — to be announced	
W. A. meets every 2nd Tuesday	8:00 p.m.
Intermediate (13 - 17) and Senior Choir (18 up), Wednesday	7:30 p.m.
Junior Choir — 9 - 12, Wednesday	4:00 p.m.

On May 5th at 10:00 hrs.—Church Parade — 2 PPCLI

On May 12th at 0945 hrs.—Church Parade — RCASC (Flag Dedication)

#### ST. JOHN'S CHAPEL WOMEN'S AUXILIARY

The President, Mrs. Jean Har-mar, and the members of the Women's Auxiliary would like to thank all their friends and neighbours who supported their recent fashion show, and to all who helped in any way to make it a success.

After the business portion of our Easter meeting the members donned Easter bonnets of their own creation and these were judged by Padre Nickerson and Padre Clark. It was quite a task deciding the winner as there were

some unique bonnets. Mrs. Peterson was the winner with her hat made of marshmallow rabbits.

The WA members served refreshments following the United Church and the Anglican Church Confirmations. The members helped in various ways at a reception honoring the Nickerson family and the Rev. E. G. B. Foote, Chaplain General on April 21st.

The WA along with the CWA canvassed the married quarters for the Cancer Campaign. Mrs. Winnifred Stewart of the Winnifred Stewart School for Retarded children, spoke to the St. John's WA and Our Lady of Fatima CWA on April 23rd at No. 1 School.

We would like to extend an invitation to all newcomers to join us at 8:00 p.m. on the second and fourth Tuesdays of the month in the Chapel Conference Room.

#### IT'S IN THE BOOK!

"It is the responsibility of occupants of PMQs to report ALL fires, whether there is any damage or not, to the Fire Hall immediately they occur."

(PMQ Fire Orders)

**Dairy Products are GOOD and GOOD for YOU**

## St. John's Chapel

### A FAREWELL LETTER

A good Biblical text for all people in the services to remember is the one "all the rivers of the earth run into the sea". While there is nothing pleasant in leaving friends and familiar surroundings nevertheless we face the constant knowledge that we are all here today and gone tomorrow. One heartening thought is that oft times we meet again.

The work of a Chaplain in any Camp is only as successful as the multitude of hands and hearts who help him in the great work to which he is dedicated. I would be ungrateful indeed if I were to forget the exceedingly great number who have done the work of the church in this camp: the Sunday School superintendent, assistant superintendent, pianist, teachers, the junior choir and their director; the intermediate and senior choir, the director and organist; the presidents of the W.A., their executive and members; the Chancel convenor and helpers; the head usher and all who have assisted in ushering; the newly formed youth group, and the various chairmen, executive and members of the chapel committee through the years. To these and all those who have faithfully endeavoured to carry out God's work in this community I give my thanks.

Then there are the Chaplains who through their wisdom, kindness and effort have been "workers together with God." Our service together is truly interdenominational and I am thankful for their close friendship and understanding and for the great witness of their ministry.

There are two things I think all of us associated with the services to remember. The first is that every time we are up-rooted and transplanted into another community we must get our roots down as quickly as we can, and there is no better way of getting roots down than through the Church. The second point to remember is that there is no such thing as a retired Christian. We must not "grow weary in well doing." There is no discharge in the war of the spirit.

Thank you all good people and God bless you everyone.

Padre Nickerson

The two pictures vary in the following respects: 1. Second rung from top of ladder. 2. Shoulder strap of falling man. 3. Position of lower white triangle on shield. 4. Nosepiece of helmet at foot of ladder. 5. Moustache of man lying on back. 6. Left hand of man lying on back. 7. Length of black arrow. 8. Horseshoe's helmet badge. 9. Tip of horse's tail. 10. Tip of horse's tail.

HOW OBSERVANT ARE YOU?

## A Corner for Gardeners

### LAWNS

Authorities estimate that over 50% of the funds and effort expended each year on our Canadian home lawns is wasted. Many common practices are even injurious to lawns rather than beneficial. Some of the common errors and newer practices are explained in this article to assist readers in developing a better lawn.

No part of our beautification programme will contribute more to the home grounds than a good lawn. It provides the green, restful and pleasing base and foreground for our picture.

### DRESSING

Established lawns may be improved by applying a very thin dressing of top soil. Not over half an inch of good top soil may be eventually raked into a lawn. This should stimulate grass growth and improve the soil texture.

Before applying a top dressing the lawn should be raked. Use an iron garden rake, raking first one way and then the other way. This removes the dead grass and reopens the surface to permit air to enter.

### MOWING

Regular mowing at frequent intervals is required to maintain a good turf. The frequency of mowing should be gauged to the rate of growth rather than the day of the week.

When mown at a height of 1½" — 2" lawn grasses will compete favourably with weeds. Mowing grass too short may damage the root crowns and thus rob the plant of its food manufacturing capacity and its ability to renew growth.

Efficient cutting at the proper height can only be attained with a well adjusted and sharp lawnmower. Torn or bruised grass blades dry up and turn brown with the entire lawn taking on a seared appearance.

Grass clippings are beneficial and should be left on the lawn unless they are in very thick layers.

In shaded locations grass should be cut less frequently or at height at least one inch above the cutting height of open lawns.

### WATERING

The moisture requirements of established lawns will depend to a large extent on the soil on which the grass is growing. Heavy soils require much less water than the lighter sandy types. Generally speaking, however, all lawns should be given infrequent light ones. Frequent light watering encourages surface rooting, whereas the ideal watering system provides sufficient water at each application, to penetrate to a depth of from 4 to 6 inches.

Most grasses grow vigorously

during the Spring and Fall and are semi-dormant during hot summer weather. Some browning of the grass during the hot weather should cause no alarm.

### WEED CONTROL

Dandelions and many other broad-leaved weeds can be effectively controlled in lawns with 2, 4-D.

Rates of application and other directions are given on containers prepared especially for lawn use. These directions should be followed carefully.

### TREES AND SHRUBS

Probably few things that the householder does gives him more satisfaction than planting trees and shrubs and watching them develop.

An important factor in good planting is the selection of material to suit the space available. There are too many big trees planted right against houses or in places where they must be cut back to make them fit. If good judgement is used, there is no need to mutilate a tree or shrub to make it fit a space in which it never should have been planted in the first place.

### PLANTING SUGGESTIONS

When digging holes, it is recommended that the topsoil be kept separate from the subsoil. Size of hole depends upon the age of the tree and root development but should be large enough to receive the roots without bending. The moisture holding capacity of the soil can be improved by mixing organic matter with the topsoil.

On receipt of planting material the packages should be opened and moistened at once or transplanted. Avoid unnecessary exposure to wind and sun.

Trim any broken or ragged roots with a sharp knife or pruning shears. Set the roots to stand at their normal position. Plant the trees about two inches deeper than stood in the nursery row. Trees are usually slightly inclined towards the prevailing winds. Use top-soil as much as possible for back-filling the holes. The soil should be packed firmly around the roots, layer by layer. A depression of approximately one inch must be left for watering. Failure is usually due to insufficient compacting of the soil in planting. Water newly planted trees well. To avoid excess evaporation, keep the top-soil loose and possibly provide a mulch.

When setting out shrubs and trees a complete fertilizer may be thoroughly mixed with the 6 inches of soil in the bottom of the hole into which the plant is to be set. A two-inch soil layer without fertilizer mixture and the ball of soil about the plant's roots. Five

BEING ANOTHER LETTER FROM MYRT (A CLUED UP CHARACTER)  
TO HER FORMER NEIGHBOUR, AND BEST FRIEND

Copyright 1963  
H. C. Chadderton.

Dear Kit:

Well finally the kids are in bed and I've got an evening to myself. I've been dying to tell you about another little episode in lives of Georgie and me!

You remember "Queenie" — the one that thinks she's Liz Taylor and Bridgette Bardot, wrapped in cellophane!

Jeez, what a howl! Incidentally, George says her husband is a good type — but the poor slob hasn't got a chance married to THAT!

Well now, let me tell you what happened! Two nights ago the doorbell rings and who is shivering on the porch? None other than the great lady herself. I can pass this same "Queenie" in the shopping centre and she never looks my way — but tonight she gives me the push-button smile and the line "Well Myrtle my dear — and how are you?"

Well of course I'm too flabbergasted to speak — but the next thing I know she's sitting in the living room and, like the big idiot I am I'm pouring her a cup of tea.

You'll be wondering what this is all about. Frankly Kit, so was I, but finally she says: "Myrtle, my dear, I'll just bet you can't tell me within twenty-five or thirty dollars, how much it's costing you to feed yourselves for a month?"

"Holy Cats", I say to myself, "I can tell you where every last nickel has gone for the past eighteen months — which is one helluva lot more than Miss-Dipstick-of-1963 can say for her household".

And now to the interesting part. When our young floozie came in Georgie was down in the basement testing his latest batch. You know, you can't get Georgie away from the WEEKLY BREWING EXERCISE for love nor money — but I guess his curiosity got the best of him. He heard her high-heels, and by the way his nose was twitching he must have also got a whiff of that dime store perfume (who am I kidding, it was Chanel No. 5 at least).

Anyway, I can see Georgie is about to play the genial host role

and I think "Ho hum — here we go again".

It turns out that our friend with the legs (and brother are they in evidence — poor Georgie is really getting nervous by now) produces a form which allows her to work out how much it is costing us to feed ourselves.

I figure I may as well play it stupid just to see what happens, and I let Georgie give her all the answers. She figures our food costs to be about \$130. per month and then she asks me if we have ever heard of M-B-G Provisioners — and goes on to say that they can feed us for \$72.00 a month.

I can see that my Georgie is really on the bit. In his own little head he figures it all out. Then he says:

"Holy cow — that's a saving of 58 smackers every month."

She flashes her toothiest smile at Georgie and says: "My you're quick with figures — that's exactly what you would save." Then comes the clincher: "If you are interested, I am representing the company", she adds.

"Yeah?" Georgie says. "I wish my wife could get out and tie up a deal like that for herself". (At this point lover boy realizes he has gone a little too far — you're dang right, I nearly brained him right there). So then Miss Sweetness-and-Light trots out a contract. This is a real doozie.

Firstly we would have to buy a deep freeze at \$650. Then of course we would get \$72.50 worth of frozen food for three months in a row. The whole thing, with finance charges, came to something like \$890.

I can see that Georgie is just about ready to sign his life away once again — and I figure this is a wonderful opportunity to show him what a really smart wife he has. Firstly, I point to the price tag on the freezer \$650. Then I dig up my catalogue and point out that you can buy 12 cubic foot freezer for \$275. — and a good brand too. Then, as sweetly as I know how, I ask this powder-puff-cum-hotshot-sales-gal how much it costs to operate one of these deep freezers.

"Pennies a day, my dear" she answers. Georgie jumps in with both feet and a bit of scorn for his stupid wife: "Yeah Myrt. I even saw it on the hydro commercial — pennies a day."

But what Georgie doesn't know is that I copied down some information from a Counselling Bulletin that went around the Army.

"Oh yeah, well get a load of this", and I show them the figures:

Depreciation — \$72.00 a year  
Maintenance and Repairs — \$25.00 a year

Spoilage and Deterioration of food — \$25.00 a year

"Add that up sweethearts — and you'll get a figure of \$122. a year just to operate the freezer. It works out at about .13c a pound on your food."

"You want to know something else, you whizz bangs (now I'm really hammering home the points). Out of a 240 pound side of beef you get about 18 pounds of fat and 20 pounds of bones — this leaves about 202 pounds of meat and there's one helluva lot more brisket and spare ribs than sirloins."

Then I punched home the clincher. "Would you really like to know what it costs me to feed my family — not \$130, as you may have worked out sweetheart! I manage to feed my family of four for \$85.00 to \$90.00 a month. We use powdered milk. Whatsmore we like it and I don't need a mixer. I buy inexpensive cuts of meat when the price is right — and if I have to store it, the freezer compartment of my fridge is plenty big enough. I do all my own baking — and our dog eats table scraps! And, if you think we are underfed take another look at Georgie! Incidentally I'm trying to get him on 10BX... 5BX did some good but Georgie's going to need more than that!

Our poor bewildered floozie had about all she could take. I should have really blasted her but I didn't want to disillusion Georgie completely.

Well, Kit this is about all for now. I hope you haven't bought a deep freeze plan lately?

Yours,

Myrt.

#### SGTS' MESS LADIES CLUG

The monthly meeting of the Griesbach Sgts' Mess Ladies Clug was held in the Mess on the 27 of March, 1963.

After a short business meeting the evening was turned over to the entertainment committee. A game of charades was conducted. All members participated and we did have some good laughs. The acting and guessing wasn't as hard as everyone thought it would be. Thanks Moira and Gwen for such an entertainment evening.

The door prize was won by Pat Donhou.

See you all next month the fourth Wednesday at 8:30.

— Your Executive

## Girl Guides

The Third Griesbach Guide Company has had a series of triumphs lately. On the 27th of March they won their Players Certificate by presenting a program of Guide songs in rounds, parts and straight singing. There was a short two-act play about the origins of the Guide movement written and directed by Mrs. Janet Power and two lively folk dances. They were helped by Mrs. Pearl MacLean and Mrs. Helen Rithaler and the whole Company took part.

Miss Beverly Hogg and Miss Shirley Crerar earned their Hostess Badges the same night by providing delightful refreshments and an interesting reading of "The Highwayman" by Alfred Noyes.

Father Green very kindly came out to adjudicate the Guides' efforts.

The Company then won additional honours by obtaining two third prizes in the Handicraft Exhibit at the Provincial Annual Meeting on April 4th. The one was for their Company Logbook to which most of the Guides contributed. The other was for sewing two children's outfits, one for a boy and the other for a girl of two years. The sewing was done by Misses Pat Henault, 15 years, Sharon Taylor, 16 years, Sandra Bourque, 16 years, Gloria MacDonald, 13 years and Lillian Snow, 11 years.

It seems too bad that this Company must be closed for lack of Leaders. Mrs. MacLean has been claimed by the Boy Scout Movement and Mrs. Powers has returned to England. We regret their loss greatly but the girls are hoping that some kind lady will come forward to help them. Contact Mrs. Murphy, 479-6029.

Carol-Anne Wray was presented with the Gold Cord by her mother, Guide Captain of 1st Griesbach Guide Company at a gathering of Guides, Brownies and special guests at Griesbach No. 1 School on Tuesday evening, April 9, 1963.

Carol-Anne, the 16-year old daughter of Captain and Mrs. H. Wray, 14012 - 101 St., Edmonton, Alberta, spent the last 5 years working towards this honour, which is the highest honour a Guide can earn. She had previously earned the All Round Cord.

The Gold Cord takes considerable endeavour, fortitude and Christian living before a Guide is eligible for this honour. A Guide must earn at least 20 badges, be a First-Class Guide, hold the Little House Emblem, Woodcraft Emblem and have attended at least 3 Guide Camps, two of which are Pioneer and Camper. She must also have attended regularly, at least 75% of Guide meetings. This constitutes the technical qualifications. She must, in addition, be recommended by her Court of Honour, possibly one of the stiffest tests, as it is a recommendation from girls her own age and from her own environment. She must also successfully complete the Commissioner's Challenges, services to the community, and as a final step, the "Be Prepared" Challenge.

Carol-Anne teaches Sunday School, is Secretary of the Griesbach Senior Youth Organization, holds the Bronze Medallion of the Royal Life Saving Society, is a Playground Supervisor, and is active in Dramatics at Jueen Elizabeth High School. She also assists with a Brownie Pack. Carol-Anne intends to go on to Rangers and is channeling her educational endeavours towards Social Work.

Pictured above, left to right are: Mrs. F. J. Murphy, District Commissioner, Mrs. D. O. R. Kearns, Division Commissioner, Mrs. H. Wray, Captain, 1st Griesbach Guide Company, Carol-Anne Wray, Mrs. J. Johnston, 1st Griesbach Guide Company.

The First Griesbach Guide Company has had its share of honour too. One of its members, Miss Carol-Anne Wray was awarded her Gold Cord at a ceremony at the Guide Company on April 9th. This is the highest award that can be given to a Guide. To obtain it a Guide must have her First-Class,

hold 6 Homecraft badges and 4 Outdoor badges. She then gives many hours of service in various forms to her community and finally, must be recommended by various adults plus the girls of her own Company as an outstanding Guide and all-round girl. So you see, it's not easy.

Her Cord was presented by her Guide Captain and mother, Mrs. Ann Wray, after a few words from her Division Commissioner, Mrs. Kay Kearns and her District Commissioner, Mrs. Marie Murphy.

The Alexander Local Association was represented by Mrs. Josephine Goodfellow, who gave Carol-Anne her Gold Cord pin.

Looking on were the Second Guide Company, the Fourth Brownie Pack and the Sixth Brownie Pack, with which Carol-Anne has been helping. Other guests included Capt. Hugh Wray, Major Bob Buckley, Mrs. Digweed, Mrs. Stayner, Mrs. Ivy McGeachie of the Roth District, Mrs. C. Pocock and Arlene Pocock and Major and Mrs. L. Swick.

Refreshments were served most delightfully by Misses Sharleen Digweed, Pat Durand, Suzanne Durant, who earned their Hostess Badges.

The Mother and Daughter Banquet for the Brownies will be held at the PPCLI Mens' Mess on May 10th at 7:30 p.m. The tickets are priced at .90 cents each and are to be obtained from the Brown Owls before Friday, May 3rd. Due to the difficulty in catering and table arrangements there will be no tickets sold after May 3rd and there will be none available at the door. It's a turkey dinner, the best — so do come and remember your tickets. We again thank the PPCLI for use of their facilities and the staff especially.

Providing enough staff can be found, there will be two Guide Camps this summer. Mrs. Ann Wray, First Griesbach Company, GR 7-8337, will be in charge of the Camp from July 13th to July 20th. Mrs. Janet Paterson, Second Griesbach Company, GR 7-8917, will be in charge of the Camp from July 27th to August 3rd. Both Camps will be at Sandy Lake which is about 40 miles north-

west of here. The charge, which covers food mainly, will be approximately \$12.00 — \$15.00. We would suggest that Guides start saving some of their baby-sitting money to this end. The mothers will be interested to know that there is a Camp uniform which consists of a copen blue shirt type blouse, navy shorts and slacks, so when you're buying or making summer clothes, do keep this in mind. The girls from the Third Company are included in these plans.

As one adult is required per eight girls, the Guiders will need adult help, so if you would like to spend a delightful week with young ideas at Camp, contact the above Guiders.

## Land Ranger Group Being Formed

The North Division, Girl Guides of Canada, are forming a Land Ranger Group in the Griesbach District. Would any girls, ages 15 years and over, who are interested, please telephone 474-7104 after 4.00 o'clock p.m.

## CANADIAN SURVEY SYRIA-ISRAEL BORDER

OTTAWA — Three of the loneliest Canadian soldiers in the world are trying to determine who owns a patrol track now used by the Israeli Border Patrol, located near the biblical city of Dan in the de-militarized zone between Syria and Israel.

They are Captain J. F. Reichert of Macklin, Sask., Sergeant-Major J. A. McArthur of Severn Bridge, Ont., and Sergeant K. B. Munro, of Ottawa. All are members of the Ottawa-based Army Survey Establishment, specially employed with the United Nations Truce Supervisory Organization.

At the foot of the historic Mount Herman where the Jordan River begins, the disputed area is currently being surveyed by the three Canadians. It all goes well

it is expected the job will be completed in April.

In an effort to settle the dispute and ensure a just result, the basic survey information of the area will be obtained from both countries. This calls for two separate survey plans — one originating in Syria and the other in Israel. If the two sources of information coincide, an amicable settlement should result.

The surveys will take the form of traverses. Original survey information in both countries comes from trigonometrical points established by British Royal Engineers during their stay in the Middle East.

The Canadians have been in Damascus, Jerusalem and the vicinity of the work since last December.

## RUBBISH AND TRASH

Rubbish and trash is the cause of approximately 12% of all Canadian home fires.

Almost everyone collects rubbish and trash, partly due to the difficulty in deciding what to keep and what to throw away. From the standpoint of fire prevention, we should dispose of as much unused material as we can and store that which we keep, safely.

### Clean Up Every Week

Collect and dispose of rubbish and trash regularly at least once a week as part of the house cleaning. Take a hard look at all the articles "that may be of some use some day". Some of them may qualify for the weekly garbage collection.

Rubbish and trash should at all times be kept well away from

heating equipment. Basements, attics, closets, storage rooms and the "do-it-yourself" work bench should also receive special attention. For these areas, an annual clean-up in the spring is not enough. They should receive periodic attention, especially in the fall before the heating season starts. Remember, the garage, if you have one, can also become very dangerous if it not cleaned up regularly.

Paint rags should either be destroyed or stored in a covered metal container. A pile of them can easily catch fire by spontaneous ignition.

Clean up outside as well as inside. Rubbish, dry weeds and leaves are readily ignited and are all definite fire hazards.

YOUR FIRE DEPARTMENT

## Nuts and Bolts

We wish to congratulate Cfn. Annala on his recent transfer to RCME from the PPCLI. Lots of luck in your new job Ron. Cpl. Shaw has also joined the ranks of 224 Workshop, having just been posted to us from the 2nd Battalion PPCLI. Another new arrival, but no stranger, is Lt. McLeod who is the new Admin. Officer of 13 Coy. RCME. Cfn (Buster) Keck is at home once more after a lengthy stay in Nemaio Station Hospital. Speedy recovery Buster, see you back at work soon. Congratulations are in order for Cfn. Beatty who has completed 21 years service in the Army, of which, 16 were spent in RCME. He will be released in May and plans to settle down in Calgary. Many happy years of retirement. We wish to extend our good wishes to Cfn. Berestovenko who will be leaving us to attend a Cp. 1 Vehicle Mechanic Course at The RCTME School which begins next month.

Ssgt. Bill Morritt from 13 Coy will be leaving us one of these days for a tour of duty in Whitehorse, YT. We hope it won't be too cold for you Bill. Ssgt. Lyle Walker and Cfn. Hildebrand are slated for a trip to Europe this fall. How lucky can a man get, wish we knew the secret to that posting. Another lucky fellow (is that the word Ron?) is Ssgt. Sales who has been tentatively selected for service in the Middle East. Lots of luck and keep a sharp eye open for scorpions "Eiffendi".

With the arrival of this nice spring weather all the talk in the shop now is concentrated on camping and fishing. So before we completely forget it, here is a run-down on the unit's standing in the past seasons curling and bowling.

In recreational curling, Bernie MacLellan's team took 1st place in the D Event. Staff MacDonald's rink took 2nd place in A Event. In the Griesbach Regular League WO 1 Norbury's rink captured the "B" league championship. Congratulations to you all for a very fine showing, lots more luck next season.

The Tuesday Night Western Command Mixed Bowling League completed their regular season play on April 16th. The top six teams will be competing in a final roll off to decide the winner. Good hunting to the "Duck Hunters" whom we hope will take this event for RCME. The mens high triple was won by Cpl. Garnett Allen with a score of 796. The high average was taken by Cpl. Jim McGuire who scored 220.

In the Inter-Service Mixed Bowling league we wish lots of luck to the "Bluebirds" who will be playing off for the league trophy.

## THIRD TIME TRIP

Corporal George Vital of Hull, Que., doesn't believe in the old soldier saying of "Do your job, but don't volunteer." He is back with the UN Emergency Force in Egypt for his third one year

volunteer tour of duty. Here, over a cup of Turkish coffee, he bargains with an Arab merchant on the price of Egyptian rugs.

## RETIRES

EDMONTON — Captain John Francis of Regina retired from the Canadian Army in April following 26 years of service.

An officer in the Royal Canadian Army Service Corps, he has been a staff captain with Alberta Area Headquarters in Edmonton since 1959.

Prior to his enlistment in Regina, Capt. Francis resided in Balcarres, Sask., where he received his education. He served his apprenticeship on the weekly newspaper, the "Balcarres Free Lance".

During the Second World War he served in the United Kingdom and Northwest Europe and in Korea and Japan from 1954 to 1955 and held various staff appointments in Canada.

## A FAMILY AFFAIR

The Ministry is a tradition in the Coleman family. The family head is Canon S. H. Coleman of St. Margaret's Anglican Church, New Toronto, and his sons are his sons are William, Bishop of Kootenay; Kenneth with the Diocese of Amristar in Punjab Province, India, and two Army captains, Harold Coleman Canadian Contingent Chaplain with the UN Emergency Force in Egypt, and Lyman, Chaplain to 1st Battalion, The Royal Canadian Regiment, in Soest, Germany. Here, Harold, left, and Lyman pause before Harold's church during a visit by Lyman to the Canadian Contingent in Egypt.

National Defence Photo

## 13 COY RCASC NEWS

Spring is here! Baseballs and golf balls take over from hockey pucks and curling stones, and while the young man's fancy traditionally turns to thoughts of love, the senior citizen is absorbed with cleanup, paintup, double windows and spring overhauls. As our young soldier said after his Easter Week training "If it moves, salute it, if it doesn't move, pick it up, if you can't pick it up, paint it!"

Incidentally we commend the Young Soldier programme to 16 and 17 year old high school students. The physical, and financial benefits are well worth while even if "junior" is not aiming for a career in the forces. A hidden advantage is that if father gets sent to Wainwright for the summer, he can have part of the family there to keep him company!

Workwise our drivers are still setting overtime records and the DID has been trying to break tri-service records shipping army food supplies by RCAF to RCN Inuvik. Hard on the heels of this will come the spring barge shipment and then many tons of ration packs and "non-perishables" from the BSD to pre-stock Camp Wainwright for the summer concentration period.

Hearty congratulations to 154 Coy RCASC, our Militia opposite numbers, on winning the Command eliminations in the Commonwealth Shield Trophy competitions and good luck towards making it three in a row in the all Canada finals. We'll be joining them for our annual Corps

Memorial Day parade scheduled for May 12th.

### Comings and Goings

Welcome to Capt. Gibson, back from Germany and on loan for the moment from Command S and T office. Mr. Baxter is back again having swapped Calgary for Edmonton with Mr. Stuart. We also hear rumours of wedding bells in September. Congratulations to Pte. Chartrand on successful completion of the Junior NCO Course — his wife was so pleased she presented him with a fine new son on his return.
